RIVER CITY PHASE 2, CORKTOWN

Unit size 400 to 2,000 square feet.

Estimated completion May 2014.

The draw The second part of a three-building complex, this 249-unit, nine-storey residence is at the centre of the West Don Lands' site for the 2015 Pan Am Games, which should prevent serious delays.

The catch Right now, Corktown isn't 100 per cent happening. Restaurants, bars, and streetlife are dependent on Waterfront Toronto fulfilling its promise of creating a new urban neighbourhood.
